ABSTRACT.

States that his ancestors were enjoying the Village of Vickerlulty in the Dodery Taluk on Brahmadeya tenure by virtue of a Sunnad granted by his Highness the late Khasasyah for reasons unknown to the petitioner the Inam Deputy settled the village in question as Dadadeya, when the petitioner was young. The petitioner

urged his claims for the village to the Dha-
keepte on the authority of the Samand - It
would appear that Major Grant has referr
the question for orders of the Durbar

The petitioners ancestors were annually
feeding the Brahmins on occasion of
Peeramdevar Procession. - This fact will
be testified to by Messrs B. Krishna Iyengar
late Dy Comm^t and P. Krishnaraw Dy Comm^t
Prays that the Village be confirmed to him

Inám Settlement Office,
Bangalore, 10th December 1881

To,

The Secretary to the Dewan
of Mysore.,

Sir,

I have the honor to forward the enclosed petition and correspondence as per margin, having reference to the village of Chikkerhalli of the Doddéri Táluk (old Mulkálmuru Táluk) the Register of which is also forwarded for inspection. The village was confirmed by the late Superintendent of Inám Settlements, as "Dévádáya,"—a decision which the Petitioner now protests against, claiming it as a personal Inám. As the case is one which was decided long ago, and is hotly disputed by the Petitioner on one side, and some of the Villagers on the other, it seems advisable that the orders of Government should be passed, in preference to my taking it upon myself to alter the Settlement made by my predecessor in Office.

Ver. Proceedings with Doddéri Inám Report dt. 30th Oct.–2nd Nov. 1881.

2. An examination of the Register will show that the principal document upon which the village was confirmed, as Inám is an authenticated copy of a

Sirup

a Sirup issued by His late Highness the Mahrajah in 1825. In this Sirup, the Village is clearly granted as a personal Inam. The services enumerated in column 5 of the Register are admitted by the Assistant who made the Settlement not being specified in any Sanad but simply to be the Out-come of local usage. It is quite probable that the Villagers may suffer loss, if this Village be confirmed as personal grant, and that the Temple Services may also suffer to some extent, but looking at the question as one of strict justice, the Inam is evidently a personal one, and I have, therefore, the honor to request permission to alter the Register and Title-Deed, accordingly.

Letter from the Superintendent of Inams No 59 of the 12th Dec. 1881 in regard to a petition from Srinivas Dass Poddar of Chikkaballa in the Dodderi Taluk praying that that village may be treated as a Personal Grant and not as Devadaya

No. 1167/85 dt 5 May 82 ——— Thereon

The Jodi village of Chikkabally which was rabled as "Devadaya" by the Inam Deptt appear to be a personal Inam though devoted by the Grantee for the support of the Ramdevara temple in his village as well as for the maintenance of his family — The Inam Supt is therefore requested as proposed by him, to treat & Enfranchise the Inam as a personal grant, leaving it to the holders who seem to be anxious to keep up the Temple, to make such ~~arrangements for~~ endowments to it out of the Inam & under such arrangements

The Rama and Kamunna Devarus at Jodi Chikkera = halli in the Molkalmuru Taluk, enjoyed the village as "Bavadaya Inam upto the year 1881-82, and in 1882-83 it was commuted into that of Brahmadaya by the Inam Department. The institution was always getting timber free for the Car annually - But in 1886 after the reconstitution of the district an applica= tion for timber was made after the car procession was

was over. since it was not granted. In 1887 the timber was applied for in time, and was granted. [illegible] doubt having arisen whether or not at the time of Inquiring the Duan into Brahmadaya the Duan Department alone allowed the free grant of timber a reference was made to that Department and from the Statement of Duan Settlement Records from that office (herein Enclosed for reference and return) it would appear that no such Specification of any free wood is made therein.

3. Thereupon, the Duandar was requested to submit his original Summons for the Duan, and he has produced an order of His Highness, the late Maharaja, dated 15th May 1872 to the Duicdar of Wolkalumuru, which Specifies the free grant of timber for Constructing the Car whether this order was produced during the Duan settlement, the present Duandar is unable to explain as his late father was the Duandar at the time.

4. Under these circumstances, I would beg to be instructed whether the free grant of timber should be continued for the purpose above alluded to.

Bangalore—

Sir,

With reference to this office No 158/150 dated 10th July 1888, and the Dewan's Proceedings No 2756-7/61 dated 19th July 1888 thereon, I have the honor to submit an application, dated 27th March last, from the Jodidar of Chickerhalli in the Molealmuru Taluk, asking for the free grant of timber and bamboos (Unreserved timber, 2 cart-loads, and bamboos one cart-load.) for the use of the Pranadevaroo at that place

2. The Government orders in the said proceedings accorded sanction for granting the wood free for that year.

3. On the application of the Jodidar for the following year, the

then Deputy Commissioner, Mr. B. K. Ven-
-katavaradaiyengar, ordered that the
Government sanction conveyed
in the above proceedings was only for
that year, and that it did not direct
the grant annually. Thereupon, the Jodi-
dar presented another petition to
Mr. Tirumalachariar on the 27th March
1891 praying for a reconsideration
of the order and for granting the timber
as usual. The petition was referred to
the Amildar for report. The Amildar
reported together with the accom-
panying references that the petitioner
had enjoyed the concession up to
1889 continuously in accordance with
His Highness the late Maharaja's
firman and the several hookkoums
subsequently issued, and that the grant
might be made annually.

4. The proceedings of Govern-
-ment above quoted appears to have
recognized the petitioner's claim
and sanctioned the free grant of
timber for that year, but does not
seem to restrict the grant for one
year. The Amildar's report and
the references produced by the Jodi-
dar are herewith submitted for the

the favorable consideration of Govt.
A general order for the annual free
grant of the necessary timber would
facilitate the carrying out of the
Car procession in due time and
will save frequent correspondence.
That the petitioner is entitled to
the long enjoyed concession is beyond
doubt. A reference to His Highness the
late Maharaja's Sanad will show
that the Jagirdar was permitted to
cut and remove the timber from
Government jungles even without
previous permission.

With reference to Govt. 2. I sent for the original Sanad (herewith forwarded

and examined it. It is undoubtedly a genuine document and distinctly authorizes the free-grant of wood every year for the car of the Mukhya Prana Devaru temple in the Jodi Chikkerahalli village. The introduction of the name of the additional deity of Ramadevaru in the subsequent correspondence is explained by the Dy Commr. in his Docket No $\frac{636}{10}$ d/ 22nd march 1892.

3. I also herewith forward from the records of this office a file of previous papers relating to the same question. From it it will be observed that the right of the temple to obtain annually a free grant of wood has been recognised by the Govt

July 1888.

4. Under these circum-

that the annual free-

There is no connection between the Inam village and the usage of allowing their Inamdars to take timber required for car purposes from Government lands free of charge. The Inspector General of Forests is therefore authorised to grant free passes for the quantity required for the car purposes from time to time without the special sanction of Government and on the certificate of the Deputy Commissioner that the quantity

applied for is actually needed for car purposes.
